**Subject: Heartfelt Appreciation for Swift Action on Email Security Measures**

Hon`ble Speaker Sir ,

I hope this letter finds you in good health and high spirits. I am writing to express our sincere appreciation for the prompt and decisive action you have taken in response to the matter we raised in our letter dated October 31<sup>st</sup> 2023, regarding the security and equity concerns related to Members of Parliament and their email accounts.

Our organization, 4C Supreme Law International, holds a deep commitment to the principles of justice, equality, and transparency. The issue we brought to your attention concerning the use of email accounts by Members of Parliament, especially in light of the recent controversy involving TMC MP Mahua Moitra, was of critical importance to us and, we believe, to the integrity of parliamentary proceedings.

Your swift response and the introduction of new norms that strictly prohibit the sharing of email usernames and passwords with third parties, including personal staff, is a commendable step in reinforcing the security and privacy of MPs.

This not only addresses the specific concerns we highlighted but also contributes to the overall enhancement of cybersecurity within the parliamentary system.

We understand the complexities surrounding such issues and appreciate the practicality with which you have approached this matter. Your commitment to ensuring equity among MPs while simultaneously safeguarding the sanctity of parliamentary proceedings is laudable.

We firmly believe that your leadership and proactive measures will not only serve as a deterrent against potential abuses but will also contribute to fostering a more secure and responsible digital environment for Members of Parliament.

Once again, we express our heartfelt thanks for your timely action and responsiveness to our concerns. We look forward to witnessing the continued positive impact of these measures on the functioning of our parliamentary system.

Thank you for your dedicated service to the nation.
